United Arab Emirates: Tuesday, March 30 - 2004 at 12:41

JML Investment Group opens the door to its retail operations

Under the patronage of His Highness Sheikh Hamdan Bin Rashid Al Maktoum, Deputy Ruler of Dubai and UAE Minister of Finance and Industry, JML Investment Group will be opening the doors to the first of their retail operations at the new Village Mall.

Managed by Better Homes L.L.C., a leading real estate and property management company, The Village is positioning itself as 'a community niche boutique centre and not just another shopping mall'.

Focusing on specialty brands and targeting a clientele that possess a fervour for the finest modes & trends, the JML Retail Division are delighted to introduce the exclusive clothing line of Offshore Legends, inspired by the world of offshore boats and mega yachts; Oxbow, defining a 'fun, young & energetic' style catering towards surfing, windsurfing, snowboarding and motor cross; Emilio Robba, the world's most recognized sculptor of illusion flowers and related gifts and Edouard Rambaud's collection of both classical and contemporary jewellery & accessories.

Eagerly awaiting the Village Mall's launch on the 5th April 2004, each one of JML's stores has been custom designed in a unique and elegant manner, reflecting each brand's individual identity in parallel with that of JML Investment Group.

Offshore Legends, Oxbow, Emilio Robba and Edouard Rambaud have all confidently entrusted their collections to the growing accomplishments and the unyielding ethics of JML Investment Group. To date, JML has booked 9 retail premises in the most prestigious Shopping Malls in Dubai, capitalizing around 10.000 sq/ft of trading surface.
